Need a list for 180 ft of 6' cedar privacy with a 4' walk gate.

Done. **24 posts, 76 rails, 535 pickets, gate hardware and 48 bags of concrete.** Want me to send it to the OKC counter?

Yes. ¿Y lo puedes explicar a mi equipo en español?

¡Claro que sí! Se lo explico ahora mismo.

THE RESULT

MORE TIME SELLING. FEWER RETURNS. LOYAL CONTRACTORS.

WHAT I DO FOR MASTER-HALCO

Talk to contractors

Straight answers by voice or text, without tying up the counter.

Talk to their crews

Crews reach me right from the job site, in seconds, not on hold.

Build lists fast

Describe the job; the material list is ready for your counter.

Catch mistakes

Missing pieces like gate hardware get flagged before the order goes out.

Work 24/7

Nights and weekends, Master-Halco is still answering.

Hablo español

I switch languages the moment a contractor or crew does.

Hand off to the counter

Pricing, stock and orders stay with your people, details ready.

Learn Master-Halco

Your products, item codes and policies, so I sound like your team.

Faith is an AI assistant. Material lists are estimates; stock, pricing and final orders stay with the Master-Halco counter.

ASK ME ANYTHING.

Let's set up a Master-Halco pilot, starting with the OKC branch.
